## Further information

If civil status documents do not come from Iceland or Switzerland, please contact the Regional Consular Centre in Stockholm beforehand. Depending on the origin of the documents, different regulations apply and the processing can take more time.

Please be informed that civil status affairs have to be registered chronologically in the Swiss Civil Register.

All submitted documents and certificates will be verified and sent to the competent authorities in Switzerland for registration in the Swiss Civil Register. A delay of **at least two months** is to be expected until the marriage is registered. After this period, the [civil status office](#) responsible for the Swiss national's place of origin can provide information on the status of the registration and issue certificates (such as family certificate or confirmation of marriage) upon request. The Regional Consular Centre informs the involved person by email, as soon as the civil status authorities decided about the inscription in the Register.

Only after the completed registration of marriage and possible change of name in the Swiss Civil Register, an application for a Swiss passport and/or Identity card may be submitted. You may file such an application through the website [www.schweizerpass.ch](http://www.schweizerpass.ch). (Passport and identity card for Swiss citizens living abroad > online application).

Should you have any questions, please do not hesitate to contact the Regional Consular Centre in Stockholm by e-mail or telephone.
