**Open Call for emerging visual artists**

*The Embassy of Switzerland in Serbia is launching an Open Call for emerging visual artists in Serbia. Therefore we are looking for up to 5 artists whose work will be presented in a joint exhibition at the Residence of the Ambassador of Switzerland in Belgrade from end of May through end of July 2018.*

*The topic of the exhibition is "Private Value" through which the artist could, for example, present his personal confession, living environment or personal space filled with familiar objects or daily situations. At first sight rational, „Private Value“ can become irrational, creating a paradoxical world instead of the one socially accepted. Art pieces can include paintings, photos, videos, installations, sculptures (indoors as well as outdoors).*

*Applicants will be no older than 30 years and must have lived for at least 3 years in the Republic of Serbia. A professional jury will assess applications.*

*Each artist selected to take part in the exhibition will receive 500 euros in cash in order to support their production work. Amongst the exhibited artists the jury will select one artist to be the winner of a special prize of 2'500 euros.*

*To apply please send us a ONE pdf-document containing 5 works incl. titles, mediums, sizes, year of creation, CV and artist statement (maximum 300 words).*

*Deadline: March 25th 2018*

*Send your applications to [bel.vertretung@eda.admin.ch](mailto:bel.vertretung@eda.admin.ch) with the mention "Private Value Exhibition".*
