Swiss PRO PROGRAMME CONTRIBUTION

Within the Swiss PRO Programme, the Government of Switzerland supports civil society organisations (CSOs) in implementing socially innovative projects targeting the needs of vulnerable groups and their social inclusion.

Through this Call, the CSOs are getting the grants to conduct "new ideas for local communities" and enhance the position of vulnerable groups on the local level.

The Swiss PRO Programme – Swiss Support for Enhancing Good Governance and Social Inclusion for Municipal Development – worth 5.8 million Euros will contribute to the improvement of the quality of life of Serbian citizens, particularly those belonging to the vulnerable groups.

The Programme activities will comprise improving the rule of law at the local

level, strengthening social cohesion and increasing the responsibility, transparency, efficiency and effectiveness of the local self-governments, as well as the participation of the population in the decision-making processes.

The Programme is implemented by the United Nations Office for Project Services (UNOPS) in cooperation with the Government of Serbia.
