Please be informed that civil status affairs have to be registered chronologically in the Swiss Civil Register.

All submitted documents and certificates will be verified and sent to the competent authorities in Switzerland for registration in the Swiss Civil Register. A delay of **at least two months** is to be expected until the death is registered. If necessary, the survivors/heirs can order a family certificate (or the like) to be used for all official matters in Switzerland (banks, pension funds, inheritance, and so on). The certificate is issued by the [civil status office](#) responsible for the deceased's place of origin.

Should you have any questions, please do not hesitate to contact the Regional Consular Centre in Stockholm by e-mail or telephone.
