Forensic Video & Image Analyst
International Criminal Court, Office of the Prosecutor in The Hague

Switzerland is actively engaged in the fight against impunity for war crimes, crimes against humanity and genocide and is committed to an effective International Criminal Court (ICC).

The ICC is a permanent institution, which investigates and prosecutes the most serious crimes of concern to the international community: genocide, crimes against humanity, war crimes and crimes of aggression. It thereby contributes to preventing these crimes and ensuring that victims obtain justice.

The Imagery Unit which is situated within the Forensic Science Section of the Integrated Services Division assists, amongst other things, in the provision of specialised forensic and scientific support to Unified Teams.

1 Swiss Expert Pool for Civilian Peacebuilding
The deployment of civilian experts within the scope of Switzerland’s policy on peace, human rights, and humanitarian issues is a long-standing tradition. Depending on specific needs, civilian experts are made available for temporary civilian peace projects as election monitors, police advisers or specialists in fields such as constitutional law and practice, mediation, the rule of law, human rights and humanitarian law (www.eda.admin.ch/expertenpool).
