

## List of English Speaking Physicians in Tehran

The following list of English speaking physicians has been prepared by the Foreign Interests Section of the Embassy of Switzerland in Tehran for the convenience of U.S. citizens who may require medical advice and assistance in Tehran. It is provided on the understanding that the Foreign Interests Section does not assume or undertake any legal responsibility, to you, or those affected, if you choose to take it into account when consulting a local physician.

Further and alternatively, the Foreign Interests Section cannot accept any liability to any person or company for any financial loss or medical damage arising from the use of this information or from any failure to give information.

This list is not a recommendation and should not be treated as such

*\*Female physicians*
