Covid-19 pandemic – Rules of conduct while visiting the Embassy of Switzerland
Update: 29/09/2020

The following distance and hygiene instructions must be respected when entering the building of the Swiss Embassy.

The aim of the measures is to protect visitors and staff from infection with the novel coronavirus. To protect yourself and the others, the following recommendations and measures MUST be followed by all those who are in the Embassy building:

- **Masks are compulsory in all spaces of the Embassy.**

- **Keep your distance.**

  By keeping the necessary distance of 2 meters to other people, you protect yourself and others from infection. Please obey the recommended distance signaled.

- **Don't shake hands.**

- **Disinfect your hands.**

  On arrival, please disinfect your hands with the available sanitizers.
