

Studying in Switzerland – for Singapore Students

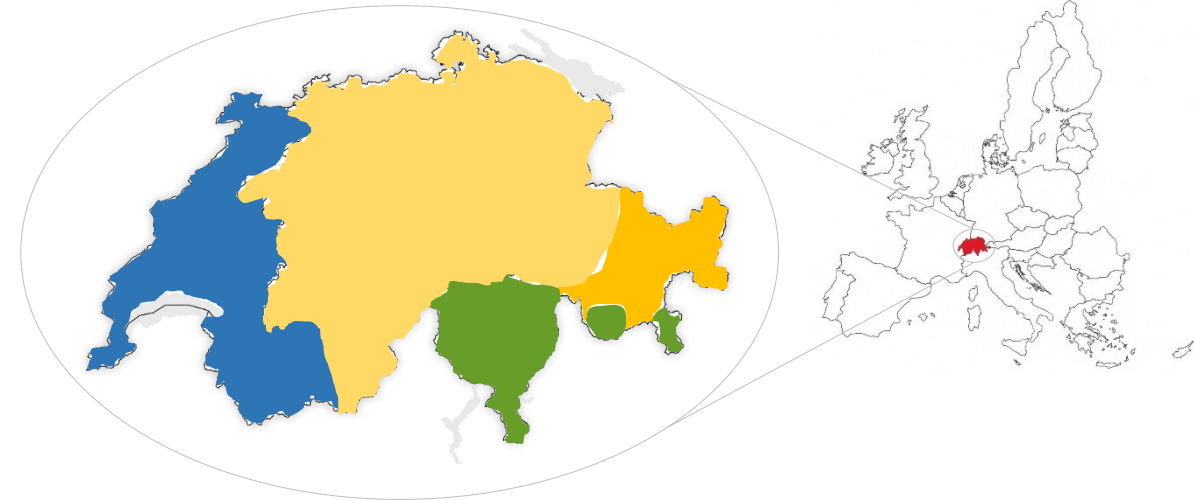

General Information

Budget

- Tuition fees vary around SGD 7000-1'500 per semester (exception is HSG with a fee of around SGD 4'500)
- Depending on the city of study, living costs will be around SGD 2'700 per month
- International students are allowed to work a maximum of 15 hours a week. Students from non-EU/EFTA countries are allowed only 6 months after starting their degree program. Salaries for simple jobs start at around SGD 25 per hour in Switzerland.

Eligibility

- University: Upper secondary school-leaving certificate, IB or equivalent
- University of Applied Sciences: Polytechnic or any degree that is eligible for university (further there often is work experience required)
- Some other criteria might be required for certain courses. Check out the university websites for eligibility criteria of specific degrees.
- No visa required for Singapore students

Universities

EPFL
Major fields: Engineering, Basic Sciences, IT and Communications

Bachelor
Master

www.epfl.ch

ETH Zurich
Major fields: Engineering Sciences, Natural Sciences and Mathematics

Bachelor
Master

www.ethz.ch

University of Basel
Major fields: Theology, Law, Medicine, Biotechnology

Bachelor
Master

www.unibas.ch

University of Bern
Major fields: Fundamental Physics, Development and Environment, Climate Change, Medicine

Bachelor
Master

www.unibe.ch

University of Fribourg
Major fields: Arts and Humanities, Law, Economics and Social Sciences

Bachelor
Master

www.unifr.ch

University of Geneva
Major fields: Science, Medicine, Humanities

Bachelor
Master

www.unige.ch

University of Lausanne
Major fields: Cyber-Marketing, Biology, Law and Criminal Justice

Bachelor
Master
