Notification
to the Signatory or Contracting States of the
CONVENTION ON INTERNATIONAL TRADE IN
ENDANGERED SPECIES OF WILD FAUNA AND FLORA
signed at Washington on 3 March 1973

CORRECTIONS TO BE MADE IN THE AUTHENTIC TEXTS OF
THE CONVENTION

At the request of the Director-General of the International Union for conservation of nature and natural resources, who assumes secretariat responsibilities for the Convention, the Federal Political Department has the honour to call the attention of the signatory and contracting States upon a number of errors and omissions in the original French, English and Spanish texts of the Convention and of its Appendices. These errors and omissions, as well as the proposed corrections, are mentioned in the enclosed lists.

The Political Department, acting as depositary of the Convention, suggests to make the necessary corrections in the above mentioned authentic texts, unless objection thereto is raised by the signatory and contracting States within 90 days following the date of this note.

If corrections are agreed to expressly or tacitly by the signatory and contracting States, the depositary shall execute a proces-verbal specifying the rectification and notify it to such States.
