

ALEXANDRE FASEL

Alexandre Fasel took up his post as State Secretary in the Federal Department of Foreign Affairs on 1 September 2023. In June 2021, he became Switzerland's Special Representative for Science Diplomacy. He was Ambassador to the United Kingdom starting in autumn 2017, and was involved in implementing the Federal Council's Mind the Gap Brexit strategy. Over his career, he has focused on European integration, the intersections between foreign and domestic policy, foreign policy analysis and policy-making, and multilateral diplomacy, the latter in particular as Head of the United Nations and Other International Organisations Division in the Federal Department of Foreign Affairs and as Permanent Representative of Switzerland to the United Nations Office and other international organisations in Geneva.
