<tbody>
<tr>
<td>1. Identify the participant</td>
<td></td>
<td>As early as possible</td>
</tr>
<tr>
<td>2. Check if a visa is needed to enter Switzerland</td>
<td>Please verify here: <a href="https://www.sem.admin.ch/sem/en/home/publiservice/weisungen-kreisschreiben/visa/liste1_staatsangehoerigkeit.html">https://www.sem.admin.ch/sem/en/home/publiservice/weisungen- kreisschreiben/visa/liste1_staatsangehoerigkeit.html</a></td>
<td></td>
</tr>
<tr>
<td>3. If yes, identify the competent embassy according to the place of residence</td>
<td>Normally, the visa request must be lodged at the Swiss embassy/consulate responsible for the applicant's place of residence, and in some cases will be handled by an outsourcing centre. Switzerland has agreements with certain Schengen states that allow them to issue visas on its behalf where Switzerland is not represented. If another state issues visas on behalf of Switzerland, the process and the documents required may differ. We advise the inviting NGO to check with the competent representation if such agreements apply to their case. You can find the nearest Swiss embassy or consulate responsible for the applicant's place of residence by consulting the following link: <a href="https://www.swiss-visa.ch/register/i210_select_country_view.action">https://www.swiss-visa.ch/register/i210_select_country_view.action</a></td>
<td></td>
</tr>
<tr>
<td>4. Visa validity and maximum length of stay</td>
<td>If the participant is already holder of a valid Schengen visa, verify that it still covers the foreseen trip. Schengen allows a maximum stay of 90 days within a 180-day period. See calculator: <a href="https://www.sem.admin.ch/sem/en/home/themen/einreise/aufenthaltsrechner.html">https://www.sem.admin.ch/sem/en/home/themen/einreise/aufenthaltsrechner.html</a></td>

| 5. Ensure that the participant has received an invitation letter from your NGO with the correct personal details on it. | Please refer to the template in the annex. The letter must state:  
- Last name, first name (exactly the same as in passport);  
- Length of the stay;  
- The NGO's mission in relation to the planned visit of the applicant and the link between the NGO and Switzerland;  
- Why and how the applicant has been selected and in which capacity they will participate in the event;  
- Covering of costs (travel, hotel, insurance) | |
| 6. Contact the Swiss embassy/consulate responsible for handling the application | a) **Book an appointment 2 months before departure;**  
Enquire which additional documents (other than those listed under point 7) are needed to apply for a visa for Switzerland as requirements differ depending on the country of residence.  

The processing time for visa applications varies and depends on local circumstances. Participants requiring an entry visa are advised to book their appointment 2 months before departure. All applicants need an appointment in order to submit their visa application. Please bear in mind when arranging your appointment that the **visa procedure takes at least 15 days once a complete application file with all required documents has been submitted.**  

Please note that Switzerland applies the European Schengen regulations concerning the issuing of visas. In October 2011, Schengen member states introduced the Visa Information System (VIS), which is used to store the biometric data (10 fingerprints and facial image) of Schengen visa applicants. All Swiss embassies and consulates are connected to the VIS system. It is therefore necessary for visa applicants to present themselves in person to submit and register their biometric data. This biometric data remains valid in the VIS system for a period of 5 years. | 2 months before departure |

| 7. Ensure that the participant received the visa on time | | |
| 8. Ensure that the participant has all documents necessary for the trip | | |
| 9. Ensure that the participant has made travel arrangements | | |
| 10. Ensure that the participant will have enough money for the trip | | |
